Arcobaleno was set up in 1995 as manufacturing company of solid machine made chains like rope and ball chain. From the beginnings the company has been able to produce high quality chains and now Arcobaleno is very well known also for the reliability of its service organization.

The production has been increased with others kind of machine made chains: curb, box, snake, singapore, cable, wheat and now a trendy fancy collection.

Arcobaleno is a young and competent company able to give to his customers fast and punctual deliveries in all the various proportions of gold to alloy.

The company has chosen to distribute through the most important wholesalers in Italy, Europe, United States, Arab Emirates etc.

Arcobaleno is present at Vicenza trade shows in January, June and September (Hall F - booth 2492).

Arcobaleno nasce nel 1995 come fabbrica di catene massicce fatte a macchina come la corda e la catena a palline.

Fin dall'inizio la Ditta è stata in grado di produrre un alto standard qualitativo e adesso Arcobaleno è ben conosciuta anche per il servizio che è grado di fornire al cliente.

La produzione è stata con il tempo incrementata con altri tipi di catene massicce fatte a macchina: grumette, veneziane, snake, singapore, forzatine, spighe e recentemente con una collezione di modelli di tendenza.

Arcobaleno è un'azienda giovane e competente in grado di offrire ai propri clienti consegne veloci e puntuali in di tutti i titoli dell'oro.

La Ditta ha scelto di distribuire i propri prodotti tramite i più conosciuti grossisti in Italia, Europa, Stati Uniti d'America, Emirati Arabi etc.

Arcobaleno è presente alle fiere di settore a Vicenza in Gennaio, Giugno e Settembre (Padiglione F - Stand 2492).
